# AMCs cash in on rally in equity mkts, SIP surge

AKSHATA GORDE  
Mumbai, August 15

**BUOYANT EQUITIES, COUPLED** with strong systematic inflows, pushed assets under management (AUM) of top listed asset management companies (AMCs) higher, leading to an average revenue growth of 28.6% on a year-on-year basis in the June quarter. This also resulted in brokerage houses raising target prices and earnings estimates for FY25 and FY26.

The average AUM of the mutual fund industry grew 9% to ₹59 lakh crore in the June quarter, according to data from the Association of Mutual Funds in India. This was the second consecutive quarter of strong growth, supported by the rally in the equity markets and robust inflows through the systematic investment plan (SIP) route.

Expectations of strong inflows, better yields and a lower tax rate compelled Kotak Institutional Equities (KIE) to revise upwards its earnings forecasts for Aditya Birla Sun Life AMC, UTI AMC and HDFC AMC by 2-11% after the June quarter earnings. It also increased the target prices for UTI AMC and Aditya Birla Sun Life AMC by ₹50 each to ₹1,100 and ₹750, respectively.

KIE has kept HDFC AMC's target price unchanged at ₹4,000, citing "any material tweak to commission payouts that would trigger a rethink of

our near- and mid-term yield assumptions."

Brokerage house Jefferies projects a rise in shares of HDFC AMC up to ₹4,900, while Morgan Stanley expects the share price to drop to ₹3,640. Despite mixed views, shares of the company had touched new lifetime highs the day after its June quarter results were announced.

The strong revenue stream trickled down to an average profit growth of nearly 35% year-on-year in Q1 on the back of higher AUM and other incomes. Mark-to-market gains across segments led to a rise of over 14% in average other incomes.

However, on a sequential

basis, these companies have seen a marginal increase of 3% in net profit and 13% in operating income.

A good set of numbers and the anticipation of continued fund flows into the asset management industry have led to shares of these companies rising 23-53% in Q1, except for the outlier HDFC AMC whose share rose over 6%. Shares of the five asset managers have grown 20-72% so far in 2024 while the benchmark Nifty 50 rose 11%.

Despite attractive long-term growth prospects, some brokerage firms foresee near-term risks to earnings growth due to potential cuts in the total expense ratio, tighter

regulations, yield compression and any protracted weakness in equity markets which may blunt inflows and revenues.

Investment research firm Bernstein said earlier this month that Indian equity valuations are looking a bit rich and when the inevitable market hiccup comes, asset managers could find themselves on the sharp end of the stick.

However, the industry is expected to generate 15-20% revenue growth over the next few years thanks to the financialisation of household savings and shift away from traditional savings vehicles like gold and real estate, brokerage firms said.

# Facing ban, SBI & PNB in talks with Karnataka govt to resolve issue amicably

Lenders did not provide any specific comment saying that the matter is sub judice

Mumbai, August 15

**HIT BY THE** surprising decision by the Karnataka government to stop all transactions with them, State Bank of India (SBI) and Punjab National Bank (PNB) have engaged in discussions with the state to amicably resolve the issue. The public sector lenders did not provide any specific comment saying that the matter is sub judice.

"As the matter is currently sub judice, we are unable to provide any specific comments at this time. However, we remain in ongoing discussions with the government of Karnataka to resolve the issue amicably," said SBI in a statement.

On August 12, the Karnataka's finance department issued an order asking all state government departments, public sector units, boards, corporations, local bodies, universities and other institutions to close accounts with SBI and PNB.

According to a circular dated August 12 from PC Jaffer, secretary (budget and resources) of the finance department, and approved by chief minister Siddaramaiah, the state government has set a

Banking sources said the government's directive is unlikely to have any significant impact, as salary accounts of state government employees and pensioners are personal accounts and will not be affected.

"As the matter is currently sub judice, it will not be prudent to make any specific comment. However, the bank is committed for an amicable resolution of the matter and is in discussion with the government of Karnataka," said PNB in a statement.
