WELCOME TO YOUR CITY, **SHRIRAM GRAND CITY.**

“ It gives me great pleasure to introduce Shriram Grand City, situated where the iconic Hind Motor factory started back in 1948. Kolkata has seen immense growth over the last decade and this growth has now spread across its periphery. However the reason we chose Uttarpara was to offer our customers a lifestyle that is not confined to the busy bylanes of Kolkata.

Our vision goes beyond just building a township. We want to give the people a better quality of life and broaden their horizons by providing multiple opportunities for social, physical and economic growth. ”

Murali Malayappan,
Managing Director, Shriram Properties
